

DELIVERING LIFE THROUGH INNOVATION

Plant Cover

MDC Industries specializes in the development, production and distribution of high density polyethylene (HDPE) Plant Covers. The Plant Covers provide protection against harsh weather conditions (wind, extreme temperatures, sun radiation) and physical damage.

FEATURES

- Virgin raw material HDPE
- Improved strength
- UV protection
- Natural translucent
- Durable in wide range of climates
- Complies EC 1907/2006 regulation (REACH)
- Packed in ready to use length

SPECIFICATIONS:

Length [mm]	Layflat Width [mm]	Thickness [micron]	Weight [gr]	Units per box
270	13	200	13.5	1200
320	13	200	16	1200
270	13	250	17	1000
320	13	250	20	1000
